Venue

Laurel Packinghouse 3pm – 12am

"The historic Laurel Packinghouse, a nationally-designated heritage landmark, is the oldest and largest standing packinghouse in British Columbia. The 12,000 square feet of the newly renovated Laurel Packinghouse provides guests with the opportunity to discover our regions rich history. It is home to the BC Wine Museum & VQA Wine Shop and the BC Orchard Industry Museum. The Wine Museum explores the Okanagan's strengthening connection with the grape-growing and wine industry while the Orchard Museum tells the story of the Okanagan Valley's transformation from wide open cattle ranges to beautifully manicured, symmetric orchards. Both Museums are open to the public during regular business hours and guided tours and wine tastings can be incorporated into your special day. "
